You knows what I mean by invites right? Dixieland, jazz and music furnished by the **Jackson French Quarter Dixieland Band**, and even though its prohibition era, booze will be available for purchase. We’ll stand guards for ya just in case that Elliott Ness and his guys tries to shows up! Better practice your choir singins too, in case he raids the party.

We ‘strongly’ encourages yous to dress in period costume of the late 20’s and 30’s. We’ll be given away some nice prizes for the best costumes.

**So’s come on up to Boyne, bring your costume duds and
let’s party after hours just like in the good ol’ days!**
