### **37<sup>th</sup> ANNUAL CONFERENCE**

The Michigan Family Support Council (MFSC) welcomes you to Boyne Mountain for our 37<sup>th</sup> annual fall conference.

This is our second year at Boyne Mountain, and we hope you enjoy the beautiful view as you walk around the grounds during the conference. The conference is always a great opportunity to put faces with names and meet up with those in other offices we may see only once per year. We are partners in the child support program and by the enthusiastic interest in the training conference, it's evident the pride in serving families in Michigan is steadfast.

The MFSC Board has worked very hard to build upon the successful first year at Boyne Mountain. The dedication and commitment of this board is outstanding; we are proud of the educational and collaborative opportunities the agenda offers.

The MFSC is proud to be a key provider of training for professionals at the Friend of the Court Offices, Prosecuting Attorney's Office, and Office of Child Support. With your suggestions and an eye on upcoming program updates, there are many sessions available that will assist you in your work.

I would like to personally thank the MFSC Board, the Regional Boards, and the many volunteers who make this conference happen. You are rock stars, and I am grateful for your time and effort. Thank you to our vendors and to the Boyne Mountain staff for everything you do to make this conference a huge success! The support for our program is appreciated.

I hope you have a wonderful time here at Boyne Mountain. Please feel free to contact any MFSC Board member with ideas for future conferences, as well as offers to join your regional Board. Check out our website at [mifsc.org](http://mifsc.org) for additional information.

Sincerely,

Jeanette Miracle-Leshan, President
