

2004 Central Region Activity Report

MICHIGAN FAMILY SUPPORT COUNCIL 22ND ANNUAL TRAINING CONFERENCE

The Central Region in 2004 experienced another year of continuing professional growth, offering what has become a great day of learning and golf. This year's attendance had well over 100 participants.

The annual conference for 2004 was held on May 25th at the Brookshire Inn and Golf Club in Williamston, Michigan. The program included Michael Adrian, Director of the Program Development Division and Mark Jasonowicz, Deputy Director of the Office of Child Support. They spoke about child support partnership structure, system work approval, and release processes. Jeff Albaugh, FOCA President, enlightened us about pending legislative updates. The afternoon concluded with Marilyn Mitchell doing a presentation on the FISH Philosophy. The session was very informative and as we have come to expect, the lunch was again wonderful.
